

Park Hills Board Meeting  
Mar.21, 2007

Members present: Della Rucker, Garrett Levy, Phil Schneider

Della had talked to the other members not present, and based on that, the following assignments were agreed to:

President: Della Rucker

Vice President: Garrett Levy

Secretary: Phil Schneider

Treasurer: Larry Wharton

Grounds and lighting: Jay Geiser

We discussed issues that need to be addressed in 2007 (by laws update, walking path, outstanding dues, lighting improvements, web site usage/ need). Since much of what needs to be done was in the hands of the missing members, resolution was postponed until the next meeting.

Garrett was going to talk with Jay about the lighting, offering his and Phil's assistance. Phil was going to find out where the Village stands on their promise to get engineering estimates for the sidewalk question and other options to get pedestrians across Glendale Milford Rd. Della is updating the to-do list .

Respectfully Submitted

Phillip J. Schneider, Secy.
