

Park Hills Homeowners Assn. Board Meeting  
June 20, 2007

Members present: Garrett Levy, Jay Geiser, Larry Wharton, Phil Schneider

Meeting convened at 7:40 P.M.

The year to date budget as of May 31, 2007 was reviewed and unanimously approved. The landscaping around the gazebo was discussed. Some of this needs to be cut down and NOT replaced (it can potentially cause damage to the retaining wall). Volunteers will be recruited to do this. At that time, the remaining items will be checked to determine what needs to put out for bids. Everyone agreed that due to the minimal usage of the gazebo, we will not spend a lot of money replacing items.

The proposed letter to all homeowners concerning the extension of the walking trails was reviewed, and minor changes were made. It was agreed that when it is sent out, a postage paid envelope will be included to help spark interest in replying. Garrett will be in charge of sending this out.

Next meeting will be July 18 at 7:00

Meeting was adjourned at 8:40
